§ 631.11 Off-limits establishments and areas.

(a) An *off-limits* area is defined as any vehicle, conveyance, place, structure, building, or area prohibited to military

personnel to use, ride, visit, or enter during the period in which it may be declared off-limits. As a matter of policy, the change in ownership, management, or name of any off-limits establishment does not, in and of itself, revoke the off-limits restriction.

(b) The establishment of off-limits areas is a function of command. It may be used by commanders to help maintain good discipline and an appropriate level of good health, morale, safety, morals, and welfare of Armed Forces personnel. Off-limits action is also used to preclude Armed Forces personnel from being exposed to crime conducive conditions or from becoming the victims of crimes. Where sufficient cause exists, commanders retain substantial discretion to declare establishments or areas temporarily off-limits to personnel or their respective command in emergency situations. Temporary off-limits restrictions issued by commanders in an emergency situation will be acted upon by the AFDCB on a priority basis.

(c) Armed Forces personnel are prohibited from entering establishments or areas declared off-limits in accordance with this regulation. Violations may subject the individual to disciplinary action under the Uniform Code of Military Justice (UCMJ). As general policy, these establishments will not be visited by military law enforcement personnel unless circumstances warrant.

(d) Prior to initiating routine off-limits action, installation commanders will attempt to correct, through contact with local civilian leaders, any adverse condition or situation. If these actions are unsuccessful, commanders will submit reports, requesting off-limits action, to the AFDCB serving their area.

(e) The AFDCB, prior to recommending off-limits restriction, will send written notice of the alleged adverse condition or situation, by certified mail with return receipt requested, to the individual or firm responsible for the alleged condition or situation. In this notice, the AFDCB will offer a reasonable time to correct the condition or situation and provide the individual or a designated representative with the opportunity to
